Brought to you by CLA

Join the Ultimate Hub for Competitive Programmers and reach growth and excellence in competitive programming.
Coding challenges is made simple by our platform. Access a dashboard of tools for high quality challenge design

Testimonials

★★★★★

This guy is a young and talented IT professional, proactive and responsible, with a strong work ethic. He is very strong in PSD2HTML conversions and HTML/CSS technology. He is a quick learner, eager to learn new technologies. He is focused and has the good dynamics to achieve due dates and outstanding results.
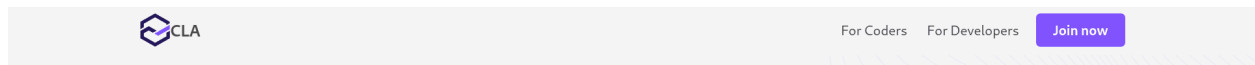

Vivek Sargunam
Director

- Testimonials section UI (Don't include the nagivation between testimonials feature, it will be added in the next JavaScript assignment):

Testimonials

★★★★★

This guy is an amazing frontend developer
that delivered the task exactly how we need it,
do your self a favor and hire him, you will not
be disappointed by the work delivered. He will
go the extra mile to make sure that you are
happy with your project. I will surely work
again with him!

June Cha
Software Engineer
